

About Me

"I am a passionate Front-End Developer and tech enthusiast with a strong foundation in web technologies like HTML, CSS, and JavaScript. Currently pursuing my Master's in Information Technology at Pillai College, I enjoy creating user-friendly and aesthetically pleasing web applications. My journey in technology is fueled by a drive to learn and explore innovative solutions."

My Journey

2021-2024

Completed my Bachelor from Yashwantrao Chavan College, affiliated from Mumbai University.

2024-2026

Started my Journey for pursuing Master degree in Information Technology from Pillai College, Mumbai University.

Achievements

- ➔ Co-founded StudyHub, a free educational platform for BSc-IT and BSc-CS students.
- ➔ Completed a comprehensive JavaScript course to advance my front-end skills.

Current Goals

- ➔ Developing innovative web applications.
- ➔Contributing to open-source projects and enhancing my problem-solving skills.

My Projects

Tic-Tac-Toe Game

A fun game built using HTML, CSS, and JavaScript.
